ABOUT THE PROJECT English

This website is about paper, paper study, and paper history. It provides various resources in the following areas: historical research of paper in Europe, expertise for paper documents, measurement of structural characteristics of paper, support for the creation of new paper databases, introduction into digital paper studies.

Planned: 6th International conference on watermarks in digital collections, Bernstein meeting, Fabriano, Italy, May 2022. [CCF \(Corpus Chartarum FABRIANO\)](#) added. You need to register and login on CCF before using it in the portal!

Catalogue
Search for watermarks and paper data
